Graded Death Benefit Limitation

Our guarantee to accept all applicants age 50 to 80 is made possible by a Graded Death Benefit Limitation. It applies to the first two years of coverage when the policy is issued. If death occurs within the first two policy years for any reason other than an accident, all premiums plus 10% interest shall be paid to the beneficiary. If death is due to accidental causes within the first two policy years, the full death benefit shall be paid to the beneficiary. Applicant may qualify for a full death benefit policy that provides full benefits from inception.

After the two-year Graded Period, if the insured dies for any reason, the full face amount of the policy shall be paid to the beneficiary. If the insured dies by suicide within two years from the Issue Date, the only amount payable will be the premiums paid for the policy plus 10%, less any debt against the policy.

Exclusions and Limitations

Accidental Death: Death is considered accidental if it occurs as a direct result of, and within 180 days of, an accidental bodily injury. In order to qualify as a death from accidental causes, the death must occur while the policy is in force and within 180 days following the date of the accidental injury as defined further by the policy.

Exclusions: A Death Benefit will not be paid for an Accidental Death if it is an infection not occurring as a direct result or consequences of the Accidental Bodily Injury, and/or if it is caused or contributed by: disease or infirmity of mind or body or medical or surgical treatment for such disease or infirmity; any attempt at suicide, or intentionally self-inflicted injury, while sane or insane; travel in or descent from an aircraft, if the Insured acted in a capacity other than as a passenger; travel in an aircraft or device used for testing or experimental purposes, used by or for any military authority, used for travel beyond earth's atmosphere; active participation in a riot, insurrection or terrorist activity committing or attempting to commit a felony; occurring

while the Insured is incarcerated; intoxication as defined by the jurisdiction where the accident occurred; riding or driving an air, land or water vehicle in a race, speed or endurance contest; rock or mountain climbing; aeronautics (hang-gliding, skydiving, parachuting, ultra light, soaring, ballooning and parasailing) and/or caused or materially contributed to by voluntary intake or use by any means of any drug, unless prescribed or administered by a physician and taken in accordance with the physician's instructions, or poison, gas or fumes, unless a direct result of an occupational accident.

DEFINITIONS

PREMIUMS: Premiums are the payments you make in exchange for an insurance policy or annuity contract. They are unlike deposits in a savings or investment program, because if you drop the policy or contract, you might get back less than you paid in.

CASH SURRENDER VALUE: This is the amount of money you can get in cash if you surrender your life insurance policy or annuity. If there is a policy loan, the cash surrender value is the difference between the cash value printed in the policy and the loan value. Not all policies have cash surrender values.

LAPSE: A life insurance policy may lapse when you do not pay the premiums within the grace period. If you had a cash surrender value, the insurer might change your policy to as much extended term insurance or paid-up insurance as the cash surrender value will buy. Sometimes the policy lets the insurer borrow from the cash surrender value to pay the premiums.

SURRENDER: You surrender a life insurance policy when you either let it lapse or tell the company you want to drop it. Whenever a policy has a cash surrender value, you can get it in cash if you return the policy to the company with a written request. Most insurers will also let you exchange the cash value of the policy for paid-up or extended term insurance.

CONVERT TO PAID-UP INSURANCE: This means you use your cash surrender value to change your insurance to a paid-up policy with the same insurer. The death benefit generally will be lower than under the old policy, but you will not have to pay any more premiums.

PLACE ON EXTENDED TERM: This means you use your cash surrender value to change your insurance to term insurance with the same insurer. In this case, the net death benefit will be the same as before. However, you will only be covered for a specified period of time stated in the policy.

BORROW POLICY LOAN VALUES: If your life insurance policy has a cash surrender value, you can almost always borrow all or part of it from the insurer. Interest will be charged according to the terms of the policy, and if the loan with unpaid interest ever exceeds the cash surrender value, your policy will be surrendered. If you die, the amount of the loan and any unpaid interest due will be subtracted from the death benefits.

EVIDENCE OF INSURABILITY: This means proof that you are an acceptable risk. You have to meet the insurer's standards regarding age, health, occupation, etc., to be eligible for coverage.

INCONTESTABLE CLAUSE: This says that after two years, depending on the policy or insurer, the life insurer will not resist a claim because you made a false or incomplete statement when you applied for the policy. For the early years, though, if there are wrong answers on the application and the insurer finds out about them, the insurer can deny a claim as if the policy had never existed.

SUICIDE CLAUSE: This says that if you commit suicide after being insured for less than two years, depending on the policy and insurer, your beneficiaries will receive only a refund of the premiums that were paid.

Gerber Life will not charge your account any money until 3 days after your application is approved.
